## Product Description

Generations ago, these mines were sealed. All the miners who worked here were taken by madness, and no one was ever to dig so deep for valuable minerals again. To ensure that this place would remain hidden, each generation attached locks of their time to the access shaft: seals, runes, traps. All to trap the shapeless... in the Mountains of Chaos. The Mountains of Chaos expansion for the social deduction game Among Cultists includes a new game board, bringing special challenges in preventing the cultist ritual. Want to get more out of Among Cultists? This new map takes you deep underground into an abandoned mine with lifts. Or deepen your play session with the optional profession module. Caution! Not suitable for children under 36 months.

- Number of players: 4-8 players- Age: 14+- Game duration: 45+ minutes
