Product Description

Dobble Paw Patrol is a card-based reaction game with five different game variations. In all variants, the aim is to be the first to find the symbol that matches on two cards and then name it aloud. But beware: the shape and colour of a symbol are always the same, but the size can be different. Suddenly the little Chase seems to look completely different from the big one. Dobble Paw Patrol becomes more sustainable by using less plastic and paper from sustainable forestry. Caution! Not suitable for children under 36 months.

- Number of players: 2-8 players- Age: 4+ years- Playing time: 15+ minutes- Game content: 55 cards
