Product Description

The floor model is a replica of the Vespa 125 "Primavera". The effective mix of design and functionality was the strength of the Vespa, which became an extraordinary commercial success worldwide in a short time. Over the years, the Vespa managed to retain its uniqueness, but improved in style and equipment. One of the most famous versions was the Vespa Primavera 125, introduced in 1968, which remained on the market throughout the 1970s thanks to an improved engine, better performance and an easy ride. To this day, the Primavera 125 is one of the most popular Vespa among collectors and fans of the famous Italian two-wheeler manufacturer.
