Product Description

You should avoid more than seven - otherwise ghosts will drive you to fear... When playing ghost cards, it is important to avoid that the fear level rises above seven. However, if you are confronted with too many ghosts, you will learn to be scared and collect fear points! You can trick the cheeky ghosts with cards of the same colour or fog cards. Whoever bravely avoids fear points wins this witty card game by Reiner KniziaCaution! Not suitable for children under 36 months.
