Product Description

The floor model is a replica of the Sd.Kfz 182 King Tiger. This vehicle was one of the most powerful battle tanks in World War II. The King Tiger was armed with an impressive 88 mm cannon, which enabled the tank to attack any allied tank even from a great distance. Due to its heavy armour, complex suspension systems and a complicated, maintenance-prone engine, the tank was not very reliable.

- Scale: 1:72- Recommended age: 14 years and up- Length: 112 mm- Contents: Kit, instructions, decoration- The high-quality kit from Italeri must be assembled by the owner.- The owner is guided through the assembly process with the help of step-by-step illustrated instructions. - The assembly instructions are of course included in the delivery.- Based on the assembly instructions, the precisely fitting individual parts must be assembled. - The parts can be painted according to your own ideas.- Tools, glue and paint are not included in the plastic kit. These must be purchased as an option.
