from 499,60 EUR

Item no.: 369390
shipping weight: 0.20 kg
Manufacturer: Carson

Product Description

With this dump truck every truck becomes a real workhorse! The 2-axle version is specially built for use with TAMIYA 3-axle tractors. The body is made of hard PVC and can be painted individually. The frame is made of aluminium and CNC milled. Further highlights: Ball bearings, wide tyres, 7-chamber tail lights, adjustable king pin. Optionally, the trailer can be retrofitted with electronics for the lighting. Furthermore, it is possible to tilt the body via a spindle drive (drive available separately). The following components are still required for operation: Tilting function 1x 500907217 Tilting spindle Fliegl Stone Master 1x 500907166 Gear motor for tilting spindle 1x 500608107 Battery Li-PO 7.4V/1300mAh 1x 500907070 Switch for spindle drive Optional E-supports 1x 500907218 E-supports (2) 2x 500907199 Gear motor for supports 1x 500608107 Battery Li-PO 7.4V/1300mAh 1x 500907070 Switch for spindle drive. Optionally this can be controlled by radio, in this case you need two more receivers (for channel 5 & 6), two controllers 500906137 Micro and two T-Plug adapters 500906099. Safety advice: Not suitable for children under 14. The packaging must be kept as it contains important information. The illustrations may differ from the product in the packaging. CARSON reserves the right to make improvements and changes at any time. Caution! Not suitable for children under 14 years.
