from **56,71 EUR**

Item no.: 370866
shipping weight: 0.20 kg
Manufacturer: Carson

Product Description

The new generation of CARSON semitrailer axles with air suspension dummies and lift. Unevenness is absorbed even better by the new, softer rubber bellows and offers a driving experience that is absolutely true to the original. The two included suspensions (standard & with lift +8mm) offer you the option of adapting your semitrailer to your raised (+8mm) tractor from the saddle level.
