Product Description

Obsession thrives on the dramatic stories written in the Victorian Age: shocking revelations, upsetting tragedies, outrageous secrets, family disgrace. Facing the twists and turns of these stories is your tactical challenge in Obsession. The Upstairs, Downstairs expansion offers you new ways to influence your destiny. Of course, the new game mechanics are also embedded in the theme again - especially with the abilities of the new house staff. In addition to the 4 new servants, you can expect the new Howard family, which already has a cook at the start of the game. With the new family, you can now play Obsession with five or (together with the Wessex expansion) even six players. THIS EXPANSION CANNOT BE PLAYED WITHOUT THE BASIC GAME: OBSESSION.

- Age: from 14 years- Number: for 1-5(6) players- Duration: 30-180 minutes
