Product Description

The floor model is a 1:6 scale replica of the Honda CB750F. The Honda CB750F was released in 1979 and quickly gained popularity. The TAMIYA model kit version has a detailed finish to the model, such as the air-cooled inline 4-cylinder engine, which has detailed cooling fins as well as spark plug wires, which are represented with vinyl hoses. Caution! Not suitable for children under 3 years. Choking hazard due to small parts.
