500907350 - Model component, 1:14 aluminium trailer rim slotted hole (2) ml

from **45,81 EUR**

Item no.: 369426
shipping weight: 0.20 kg
Manufacturer: Carson

Product Description

Wide aluminium trailer rim in slotted hole design, turned aluminium, with decorative bolts, plastic cover cap, two ball bearing seats (dimensions 5x11x4mm), Suitable for all Carson trailers. We recommend the socket spanner 500907595 for easy installation of the stud bolts. Caution! Not suitable for children under 3 years of age. Choking hazard due to small parts.
