### Product Description

The stand model is a replica of the RC213V motorbike ridden by Marquez under the factory Repsol Honda team in the 2013-2014 season. This motorbike is something special, as Marc Marquez rode his first Moto GP season and was the youngest rider ever to win the overall victory with this bike. The motorbike has numerous technical features, such as an anti-wheelie system and engine brake control. The TAMIYA model kit version is significantly rich in detail and highly accurate. Caution! Not suitable for children under 14 years of age.
