from **47,08 EUR**

Item no.: 370452
shipping weight: 1.00 kg
Manufacturer: ITALERI

Product Description

This heavy "conventional" (bonnet steer) truck is a typical representative of these trucks, which are widely used in the USA. Specially built for long-distance transport on the American continent, they have large-volume engines with enormous fuel tanks and extremely spacious sleeping cabins that are sometimes as comfortable as a living room. These trucks also became famous thanks to the many American road movies in which they play the leading role.

Details- Scale: 1:24- Age recommendation: from 14 years Technical data- Length: 352 mm Contents- Kit- Instructions- Decoration Information- This high-quality kit from Italeri must be assembled by the customer.- The independent assembly is accompanied by step-by-step and illustrated assembly instructions. - The assembly instructions are of course included in the scope of delivery.- Based on the assembly instructions, the precisely fitting individual parts must be assembled. - The parts can be painted according to your own ideas.- Tools, glue and paint are not included with the plastic kit.
