Item no.: 370452 shipping weight: 1.00 kg Manufacturer: ITALERI

Product Description

This heavy "conventional" (bonnet steer) truck is a typical representative of these trucks, which are widely used in the USA. Specially built for long-distance transport on the American continent, they have large-volume engines with enormous fuel tanks and extremely spacious sleeping cabins that are sometimes as comfortable as a living room. These trucks also became famous thanks to the many American road movies in which they play the leading role.
