Product Description

Cluedo Premium Collection is a splendid gift edition of the popular family game. Thanks to its elegant design and high-quality game elements, this version of Cluedo can be proudly presented and may become a favourite game for generations to come. In this premium edition, you can keep your suspicions a secret and use the notepad shields to view the villa from a new angle. Stunning illustrations, high-quality materials and a golden finish will delight Cluedo fans. Following the classic Cluedo game principle, players try to find out who committed the murder in the villa, which weapon was used and where the crime took place. In this noble version of the classic game, suspects are also eliminated during the game by skilful moves.
