Product Description

John and Katherine Smythe - Viscount and Viscountess Wessex - look with envy at the new bustle throughout Derbyshire. Their manor house, dating back to the time of James I, is one of the largest and oldest in the county and has been particularly difficult to maintain in the lean years. The family has twice been forced to sell off fertile tracts of land to avoid an even more drastic fate. The Wessex family owns the largest manor of any family. They start the game with an additional expansion tile. In addition to the new Wessex family for more variety, the expansion also includes new expansions, noble cards and solo opponents. THIS EXPANSION CANNOT BE PLAYED WITHOUT THE BASIC GAME: OBSESSION.

- Age: from 14 years- Number: for 1-4 players- Duration: 30-90 minutes
