Product Description

Taco Cat Pizza Junior is the children's version of the popular party reaction game Taco Cat Goat Cheese Pizza with simplified rules for kids aged 4 and up. This child-friendly version still requires careful observation, but you no longer have to memorise the order of the crazy words. Just say a word of your choice and see if it fits. If it does, you can try again straight away. But be careful: if the sweet appears, you should hit the cards in the centre at lightning speed. Look forward to many fun games with Taco Cat Pizza Junior!
