500907214 - Model kit,1:14 Rotating beacon set LED (2) 13 Prog.

from **95,16 EUR**

Item no.: 371006
shipping weight: 3.00 kg
Manufacturer: Carson

Product Description

Our new generation of rotating beacons is equipped with 7 super-bright SMD LEDs and contains 13 adjustable programmes, including 6 rotation and 7 strobe programmes, which can be freely selected depending on the intended use. It also has an integrated "memory function". Two different settings (e.g. one rotation and one strobe setting) can be saved and activated/deactivated or changed via a switching channel (3-position switch / on/off/on) on the remote control system. Operation of 2 rotating beacons is possible in conjunction with a Y-cable (not included in the scope of delivery). The programmes are selected directly on the rotating beacon. Caution! Not suitable for children under 3 years of age. Choking hazard due to small parts.

Details- Scale: 1:14- Age recommendation: from 14 years Technical details- Height: 22 mm- Aluminium base diameter: 17 mm- Glass diameter: 11 mm- Cable length approx. 350 mm (3-pin)- Operating voltage 4.5 - 6.0 V/DC= (receiver current)- Plug-in system Uni. Information- Officially licensed by HELLA ®- 13 selectable programmes (6 rotating / 7 strobe flash function)- Original flash / rotation speeds- Integrated memory function for saving 2 programmes (strobe / rotating beacon)- 4 different light housings/glasses in orange- Can be swivelled +/-5° degrees (adaptation to roof pitch)- Control via switching channel (3-pos. On/Off/On) Contents- 2 rotating beacons with SMD LEDs ready for installation- Installation material- Set of lenses- Instructions
