Product Description

Build the legendary Ghostbusters fire station as a 3D puzzle and bring the cult films to life! Take an unforgettable journey into the world of the Ghostbusters films with our 3D puzzle kit of the famous fire station in Manhattan. This highly detailed model kit allows you to recreate the iconic fire station from the popular Ghostbusters films and bring your own exciting scenes to life! With 130 detailed pieces and a construction time of 120-150 minutes, this puzzle is ideal for both young and old fans aged 10 and over. Scope of delivery: The kit contains 130 carefully designed pieces that you can put together to create an impressive fire station measuring 400 mm long, 340 mm high and 220 mm wide. Easy-to-follow instructions are also included to make assembly easier and maximise the fun of building. This model kit is suitable for both beginners and advanced modellers. The age recommendation from 10 years allows young Ghostbusters fans to enter the world of modelling and develop their creativity. Once completed, the finished model is perfect for displaying on a shelf, as an impressive play object or as a collector's item for fans of the Ghostbusters films. Our 3D puzzle kit impresses with its highly detailed parts, which perfectly reproduce the realistic design of the fire station from the films. Thanks to innovative building techniques, assembly is fun for young and old alike. The original licence ensures that this model does justice to the Ghostbusters films in every detail and will become a real treasure for fans. Background information: The Ghostbusters Firestation is a legendary building that holds a special place in the hearts of film fans all over the world. With the new Ghostbusters film coming to cinemas in 2023, the story is revisited and the fire station takes on new meaning. Immerse yourself in the captivating atmosphere of the Ghostbusters world as you bring this iconic model to life. This 3D puzzle kit not only offers crafting fun, but also a unique opportunity to experience the magic of the Ghostbusters films up close. Turn your imagination into reality and bring the Ghostbusters Firestation to life with this model building kit! An absolute must-have for every fan and a highlight in any modelling collection.
