Product Description

2014 Corvette® Stingray easy-click system. The popular easy-click model kits in a classy promotion box with a great design. Easy-click model kit for the 466 hp current super sports car, which bears the name Stingray again after more than 30 years and perfectly combines racetrack performance with everyday usability.

- Detailed body
- Plug-in kit, no gluing necessary
- Rotating wheels
- Stickers and decals

Tinkering fun with great results for everyone from the age of 10. The innovative easy-click system guarantees quick success: Multi-coloured, precisely manufactured components are stably connected by simply plugging them together and decorated with stickers. Painting is not necessary! Optionally, the model can be additionally painted and thus becomes a very personal unique specimen. A recommendation with up to 5 colours is included in the assembly instructions.
