Product Description

Discover the detailed model kit of the legendary Beechcraft Model 18! This 1:48 scale aircraft model, with an impressive length of 216 mm and a total of 129 precisely manufactured parts, is an absolute highlight for every model building enthusiast.

This kit, recommended for ages 12 and up, offers a demanding and at the same time entertaining building experience due to its level of detail and the building challenge of the Level 4 category. With its authentic details and realistic design, this model perfectly reflects the original Beechcraft Model 18 low-wing aircraft.

This kit is perfect for advanced modellers who enjoy technical challenges. Whether for your own collection, as a decorative object or as a gift for aviation enthusiasts - this kit offers a variety of uses and hours of building fun!

The outstanding features of this kit are its precise and highly detailed components, which make it possible to create an exact replica of the original. In addition, this model kit is an officially licensed product of the Beech Aircraft company.

Scope of delivery: The scope of delivery of this model kit includes highly detailed parts, detailed building instructions as well as the possibility to create several country versions of the original Beechcraft Model 18.
