from **571,00 EUR**

Item no.: 370951
shipping weight: 0.20 kg
Manufacturer: Carson

Product Description

A helper for the heavy things of everyday life - the CARSON dump semi-trailer. The CARSON 1:14.5 scale dump semi-trailer is a detailed model of the dump trucks used in local construction traffic. Load your tipper semi-trailer and off you go with a load of sand, gravel or stones to the next construction site or quarry. With the optionally available tipping mechanism (spindle drive, art. no. 907056), the skip can be tipped or unloaded. When lowering the skip, the rear wall is automatically secured with the 2-hook lock. The following components are also required for operation: Tilting function: 1x 500907056 Tilting spindle 1x 500907108 Gear motor for tilting spindle 1x 500608107 Battery Li-PO 7.4V/1300mAh 1x 500907070 Switch for spindle drive Optional E-props: 1x 500907218 E-props (2) 2x 500907199 Gear motor for props 1x 500608107 Battery Li-PO 7.4V/1300mAh 1x 500907070 Switch for spindle drive Optionally this can be controlled by radio, here you need two more receivers (for channel 5 & 6), two controllers 500906137 Micro and in addition two T-Plug adapters 500906099. - New wheel suspension made of reinforced plastic with air suspension dummies - Aluminium chassis CNC milled - 12-fold ball bearing - Trough and rear wall made of hard PVC, CNC milled - 6 wide trailer rims - 6 wide tyres for trailer rims - 7-chamber rear lights - Number plate holder illuminable - Plastic mudguards with holder - Automatic 2-hook rear wall locking - Aluminium underride guard CNC milled - Mechanically adjustable trailer supports - Platform plastic/metal composite construction CNC milled - Aluminium hydraulic cylinder dummy - Dimension (L x W x H) 700 x 185 x 235 mm - Tyre width 25 mm - Tyre outer Ø 82 mm - Weight 4.600 g - max. load approx. 10,000g Caution! Not suitable for children under 36 months.

- Scale 1:14- Height 250 mm- Model kit, scale 1:14, aluminium frame, hard PVC body, 3 axles, air suspension dummies, ball bearing, instructions- Recommended age: 14 years and over
