Product Description

At the turn of the 1960s and 1970s, the open body of the Opel REKORD inspired with its style, elegance and characteristic appearance. This model combines comfort with undoubted aesthetic charm. A licensed 1:35 scale clamp-on model is a reminder of the legend of the European automotive industry! The model has movable wheels and high-quality prints. Thanks to its compact size, it doesn't take up much space while retaining a realistic appearance! The set includes a plate with the name of the vehicle and the OPEL brand logo. Add another classic to your collection! Build automotive history, brick by brick! Clear and intuitive instructions make building a sports car quick and efficient! Opel is a German manufacturer of passenger cars, sports cars and vans that has left a lasting impression in the history of the automotive industry with many successful models. The breakthrough car for Opel, which for the first time exceeded the one million units produced mark in the mid-size segment, was the REKORD model. Now the automotive legend is back thanks to COBI components!
