Product Description

Maserati Levante Trofeo is a version of the top-of-the-range Levante SUV with a powerful 590 hp V8 engine that accelerates from 0 to 100 km/h in 3.9 seconds and reaches a top speed of over 300 km/h. The Maserati Levante Trofeo is undoubtedly the best version of the Levante and at the same time a thoroughbred SUV. It combines the best features of the Italian brand, i.e. unconventional elegance with a performance worthy of a Maserati sports car. 1:35 scale model made from COBI bricks, produced under licence from the famous Italian car brand Maserati. It is an ideal product for both children and adult car fans. Thanks to specially designed blocks that faithfully reproduce the shapes of the bodywork and durable, colourful imprints, the vehicles created by COBI look like small works of art. The block model is ideal for displaying in an adult car fan's collection. Thanks to its solid construction and movable wheels on special rubber tyres, it is also ideal as a toy.
