### Product Description

Get ready for a fascinating adventure in the world of model building with the 1:24 scale VW T2 Bus Advent calendar. This lovingly designed kit contains 109 parts that will delight you every day during the Christmas season. With a length of 193 mm, a width of 85 mm and a height of 84 mm, a detailed model of the legendary VW T2 Bus, which is an integral part of automotive history, is created piece by piece. This kit is a must for modellers aged 10 and over to immerse themselves in the world of model building. Difficulty level - Level 2: This kit is perfect for young modellers and beginners (Level 1-2) who want to take their first step into the world of model building. The easy-click system guarantees quick success, whereby coloured components are stably connected by simply plugging them together and decorated with stickers. The finished model can be a great addition to any collection or shine as a decorative element in your room. Special features: The 1:24 scale VW T2 Bus advent calendar is characterised by its innovative building technique, which makes it easy to assemble. In addition, all parts are multi-coloured, so no additional painting is necessary. This kit is a special edition that allows you to discover and assemble a piece of the legendary VW T2 Bus day by day during the Advent season. Background information: The VW T2, the second generation of the legendary Volkswagen bus, is more than just a vehicle - it is a symbol of freedom, adventure and German engineering. Since its introduction in the 1960s, the T2 Bus has inspired generations and is still a popular classic today. With this kit, you can bring a piece of automotive history into your home and experience the fascination of the legendary Bulli for yourself. Prepare yourself for an exciting journey into the world of model making and enjoy the satisfaction of creating a realistic model day after day that will not only delight fans and followers, but also newcomers to the model making industry. CAUTION: Not suitable for children under 8 years of age. water-soluble colours included. Use under adult supervision. Read the instructions together with your child before use, follow them and keep them ready for reference.
