### Product Description

If you want to have cool wheelie fun, grab the TAMIYA Lunch Box Black Edition and perform fat wheelies thanks to the wheelie bar. The original model appeared in 1987 as a monster that knows no bounds. The current re-edition from TAMIYA in the Black Edition is equipped with a black-coloured ABS body and black wheel rims. Chrome-plated components such as the radiator grille and bumper round off the look. 2-channel RC system with servo, 7.2 V battery pack & charger available separately. Numerous optional tuning parts available. Warnings: Make sure you have read and understood all instructions before starting assembly. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. Caution! Not suitable for children under 14 years of age.
