Product Description

With the motorised support legs, you can give your CARSON 3-axle Fliegl Stone Master (N° 500907216) tipper trailer another prototypical function. Two geared motors N° 500907199 are required for operation. Optionally, the supports can also be controlled by remote control, in which case you will need an additional receiver (for channel 5), a small controller 500906137 Marine Micro and a T-plug adapter 500906099. Caution! Not suitable for children under 3 years. Choking hazard due to small parts.
