Product Description

A COBI building block model on a scale of 1:35, manufactured under licence from the famous Italian car brand Maserati. This is an ideal product for both children and adult car fans. Thanks to specially designed building blocks that faithfully reflect the shapes of the bodywork and durable, colourful prints, the vehicles created by COBI look like small works of art. The model is perfect for display in an adult car fan's collection. Thanks to its solid construction and movable wheels with special rubber tyres, it is also perfect as a toy. "Folgore" means "lightning" in Italian and is to be understood as power in its purest form. The GranTurismo Folgore accelerates from 0 to 100 km/h in just 2.7 seconds and reaches a top speed of 320 km/h. MASERATI GRANTURISMO FOLGORE presents the best of Formula E in a versatile edition. A state-of-the-art 800 V battery powers three powerful 300 kW permanent magnet motors, one at the front and two at the rear, generating an output of 560 kW (761 hp) and an incredible torque of 1,350 Nm at all four wheels. GT in this case stands for Gigantic. This means you can drive up to 450 kilometres on a full charge. Recharging for another 100 kilometres takes just 5 minutes and requires no change to your lifestyle!
