Product Description

The players try to form the best combos with their 7 hand cards to score the most points with their empire. Maybe a player builds a massive army to destroy everything. Maybe a kingdom will take the form of an erupting volcano or a terrible hurricane that sweeps away everything in its path. Perhaps a player will control a great wizard in his fortress, secluded on an inaccessible island and surrounded by impenetrable flames. Everyone has a choice, for no two realms are alike.

Caution. Not suitable for children under 36 months.

- Number of players: 2-6
- Game duration: 20+ minutes
