05688 - Model kit with basic accessories, Spitfire Mk.II "Aces High" Iron Maiden, 134 T., from 12 y.

from **21,65 EUR**

shipping weight: 0.90 kg Manufacturer: Revell

Product Description

The Spitfire Mk.II "Aces High" Iron Maiden in scale: 1:32 brings fun and the best memories from the very beginning. Its details, for example in the cockpit and on the radiator, the movable propeller and the true-to-original decals for the Aces High version leave nothing to be desired.

Piece by piece, the legend is brought to life during assembly. A total of 115 individual parts gradually add up to a length of 28.6 cm and an impressive wing span of 35.1 cm. The finished model impresses with numerous extras. Among others:

- Detailed cockpit with instrument panelDetailed seat suspension
- Separate access doorDetailed radiator
- Movable propeller
- Detailed landing gearSplit cockpit glazing
- Original colours and pictures

The Spitfire Mk.II "Aces High" Iron Maiden model kit contains:

- 115 detailed parts of the legendary Spitfire Mk.II
 Glue and paints for easy assembly

- true-to-the-original decals for the Aces High version and the stage version of Iron Maiden
 clear assembly instructions
- two Eddie pilot figures sitting and standing
