Product Description

Experience history up close with the detailed model kit - 75th anniversary of the Berlin Airlift on a scale of 1:72. Bring history to life with our lovingly designed model kit for the 75th anniversary of the Berlin Airlift. Reproduced in 1:72 scale, this model offers a breathtakingly accurate replica of the legendary C-54 D Skymaster, better known as the "Raisin Bomber". With 352 precision manufactured parts and a wingspan of 497mm, this model is sure to be a highlight of any collection. Although we give an age recommendation of 13 years, this model is an absolute must for any history enthusiast or modelling enthusiast. This model kit is perfect for beginners looking to expand their skills as well as experienced modellers looking for a new challenge. It can be used as a display piece, to hone your modelling skills or to add to your collection. This model kit is characterised by its detailed reproduction and high-quality workmanship. The set also includes prefabricated parts and authentic decals to represent four different versions of the C-54D Skymaster. The highlight of this set are the 10 laser-cut wooden cubes, which allow for individual customisation. Background information: The Raisin Bomber played a decisive role during the Berlin Blockade of 1948/49. By setting up the airlift, the Western Allies were able to secure supplies for the trapped population of West Berlin. With this model kit, you have the opportunity to recreate and preserve a piece of this historic event. With this model kit of the legendary Raisin Bomber, you hold a piece of living history in your hands. Immerse yourself in the world of model building and experience the fascination of this detailed replica. ATTENTION: Not suitable for children under 8 years of age. 12.5 g solvent-based glue and water-soluble colours included. Glue bottle with functional, sharp tip! Flammable liquid and vapour. May cause drowsiness and dizziness. Store under lock and key. Dispose of in accordance with local/regional/national/international regulations. Use under adult supervision. Read and follow instructions with your child before use and keep handy for future reference. Contains: n-butyl acetate CAS 123-86-4
