

Item no.: 365811

Water-based model paint, Model Color - German Aircraft WWII

18,37 EUR

Item no.: 365811
shipping weight: 0.10 kg
Manufacturer: Revell

Product Description

From the bottle directly into the gun, without diluting. The new Model Colours are perfect for use with our airbrush guns. In the "German Aircraft WWII" version, 8 different colours are included, which are coordinated with the German air force of the "Second World War" (including special colours only available in the set). The new Model Colours give your models the perfect original look.

- From the bottle directly into the gun, no further thinning necessary
- Consists of 8 different colours (incl. special colours, currently not available in the Revell assortment)
- Thin application by brush is also possible
- Easy dosing due to bottle tip

Scope of delivery:

- 8 special colours (17 ml) matched to the German Luftwaffe of WWII

Caution! Not suitable for children under 36 months.
