Product Description

A must at every race track: The grandstand. Enthusiastic fans cheer on their favourites from the grandstand and create that very special racing feeling! To make your Carrera racetrack look even more authentic, the grandstand is of course a must. The grandstand measures 34 cm x 24 cm x 20 cm (width x height x depth) and consists of a base with steps and roof. It is made from plastic kits and is very easy to put together. The enclosed sticker sheet provides even more detail and a personalised touch. The decorative buildings can be extended as required and offer countless combination and assembly options. The grandstand will be a great eye-catcher on your Carrera racetrack! So you can create any number of situations with this great decoration.
