Product Description

The set was developed under licence by Relic Entertainment, the studio that created the sensational strategy game Company of Heroes 3, set in the reality of World War II. Bring the atmosphere of the game into the real world with licensed sets of COBI building blocks!

The set of four figures includes representatives of every nation in the game. The figures are covered with high-quality prints that reflect the look of a characteristic uniform, they are equipped with special headgear and lots of accessories:

- American paratrooper equipped with M1 Garand and M1 Bazooka rifles
- German paratrooper with equipment and Panzerschreckwerfer (tank mortar)
- Italian partisan, equipped with a sniper rifle
- British infantryman armed with a Sten submachine gun

The box also includes bases for figures, a chest and additional weapons such as the MP-40 and Thomson submachine guns, the Rifle 43 and the Lee-Enfield!

The figures are an excellent, real addition to the game and allow you to expand the rest of the building block sets from the Company of Heroes 3 collection! The set has been designed with attention to detail and is also a great addition to the popular COBI Historical Collection series! Fans of history, building blocks and virtual entertainment will find what they are looking for here!

Company of Heroes 3 is a real-time strategy game (RTS) developed by Relic Entertainment and published by Sega. In Company of Heroes 3, players take on the role of the Allied forces during the invasion of Italy and during the campaign in North Africa. The first two parts of the game, released in 2006 and 2013, were very successful and won the appreciation of many players! Surely the latest, third part of Company of Heroes will become a must-have for all fans of RTS strategy as well as history and military enthusiasts.
