Product Description

For professional truck drivers, this gem stands for reliable performance. For travellers, it's a common sight on the road. Peterbilt® 359 Conventionals have been transporting goods from one coast to another over many millions of kilometres for years.

- A 6-cylinder Caterpillar turbo diesel engine is hidden under the hinged bonnet
- Lots of chrome-plated parts, including radiator grille, fuel tanks, replica alloy wheels and twin exhaust tips
- Large sheet of colourful wet-slide foil decals, including stripe motifs, number plates, fuel tax stickers and grille jags
- Cast in white and translucent material, with chrome parts and elastic black tyres

Scope of delivery:

- Plastic model kit (not assembled)
- Illustrated, multilingual building instructions
- Decals

Caution. Not suitable for children under 36 months.

- Scale:1:25
- Age recommendation:12+
- Number of parts:116
- Length:302 mm
