from **30,37 EUR**

Item no.: 374175

shipping weight: 0.20 kg

Manufacturer: Atomic Mass Games

Product Description

Geonosian warriors are born into their role in a caste system with a queen at the head. Unlike Geonosian drones, which are wingless, Geonosian warriors have wings that allow them to fly far above the ground as well as down into the underground catacombs of Geonosia. Like other insectoid species, Geonosian Warriors have a sturdy exoskeleton that protects them from injury. The Geonosian Warriors unit expansion for Star Wars™: Legion contains seven highly detailed miniatures of the insectoid warrior species, as well as new unit and upgrade cards. It can be added to a Separatist Alliance army. When outnumbered, the Geonosians rely on their superior numbers to swarm the battlefield, quickly retreating underground when necessary to mislead attackers. A base game of Star Wars: Legion is required to play.

Details- Recommended age: 14+ years- Number of players: 2- Playing time: 120+ minutes Content- Plastic miniatures: 7- Unit card: 1- Upgrade cards: 3- Marker punch board: 1- Supplement: 1
