Product Description

"Geonosians do not value life as much as you humans do." - Poggle the Lesser
Poggle the Lesser was the arch-heroic leader of the Geonosians during the Clone Wars. He worked closely with Count Dooku and supplied the droids produced in the Geonosian droid factories to the Confederacy of Independent Systems. One of Poggle's close associates, Sun Fac, served as his adjutant. Like any Geonosian who had risen to the highest echelons of the Geonosian aristocracy, Sun Fac was as ruthless with the Geonosians who worked under him as he was with his enemies...
The Commander and Agent expansion Sun Fac & Poggle the Lesser for Star Wars™: Legion includes two highly detailed miniatures of the Archduke's follower and his ruthless aide, as well as new unit and command cards. It can be added to a Separatist Alliance army. A Star Wars: Legion base game is required to play.
