Product Description

Being a Spider-Hero not only means great responsibility, but also great danger. Now that villains from every corner of the multiverse are coming together, the Spider-Heroes are leaving the lonely paths and joining forces to defeat evil. Across dimensions, they protect the innocent and eliminate threats to put an end to the villains once and for all! In Marvel United: Spider-Geddon, you take on the role of the legendary Spider-Heroes. Work together to stop the master plan of a powerful supervillain who is either controlled by the game or by one person. Each villain has their own masterplan with special card effects and threats. Use your equipment and play cards from your unique hero deck! Not only can you use them to perform actions and utilise superpowers, but you can also work together with other heroes to achieve the impossible. Create your own story, join forces and save the world together! Marvel United: Spider-Geddon is a stand-alone base game and can be combined with all Marvel United content.
