Product Description

The DC | Hro Chapter 3 - 4-Pack - This incredible collection brings together 123 unique designs from the multiverse, each highlighting superheroes, supervillains, comics, locations, iconic phrases, vivid moments, objects, vintage logos, pencil drawings, ink drawings, civilians, alter egos, panels, head-to-heads, team-ups and legends from the DC multiverse. Limited Edition "Shazam!" Movie Cards Venture alongside your favourite DC superheroes and supervillains like Catwoman, Darkseid, Green Lantern, Poison Ivy and The Flash, through the different eras of the DC Multiverse! Hybrid trading cards On the back of each physical Hro trading card is a QR code that links it to its digital twin in the Hro mobile app, validated and secured by the security of blockchain technology. Once the physical and digital twins are linked, the Hro app and web platform provide buyers with access to a global marketplace where they can buy, sell and trade their entire collection. This innovative model also hosts a 360° fan engagement platform where users can compete for the rarest cards, rise to the top of the community leaderboards and unlock the chance to win special rewards. Guaranteed holographic cards Every DC | Hro Chapter 3 - 4 pack flowpack you buy is guaranteed to contain holographic trading cards! Each individual flowpack contains seven or eight trading cards with at least one holo per pack. Box contents- 4 Hro Chapter 3 Hybrid trading cards flowpacks (29 trading cards in total, including one guaranteed premium holo design)- Link to download the Hro mobile app
