Product Description

Gamemaster: Snow & Tundra Terrain Kit

Whether you want to build icy ridges or icy concrete structures, the Gamemaster: Snow & Tundra Terrain Kit provides you with all the colours and base materials you need to create amazing landscapes for any RPG system or Skirmish miniatures game.

In this kit you will find a unique Terrain Primer that will not attack your building material - whether you are building with XPS foam, Styrofoam or MDF fibreboard. Combined with hand-picked paints, washes, base materials and tufts, you'll be well on your way to bringing rivers of ice and polar architecture to life. Be inspired by the inspiration guide included in this set.

Attention: For household use only. Use under direct adult supervision. Not suitable for children under 12 years.
