Product Description

Trötofanten: The play world Now there's something to marvel at! The elephant circus is in town! All the elephants want to show off their tricks - but it's the trötofants who are the real stars! Trötofanten are rare elephants with golden trumpet noses. They can trumpet much louder than their trunked conspecifics. Now the elephant circus is looking for a new ringmaster. He is supposed to bring order back to the circus ring - because there is a lot of confusion! Trötofanten: The game idea Build your own elephant circus! Use the cards to form a circus ring and then it's time to go wild! You can put animals together in pairs and steal the animals of your fellow players! But beware: the mice (beep!) will turn everything upside down. Tamers and lassos provide even more surprises. A colourful spectacle for young and old - simple, fast-paced and fun! DREAM!!!
