Product Description

Form teams of one or two players. One person from each team chooses a card without showing it to anyone else. This card determines which Disney character must be drawn. Different levels of difficulty can be selected, such as drawing with closed eyes. The more difficult it is, the more points are awarded. The timer card determines how much time you get to draw: 20 seconds or 40 seconds. The team mates then have to guess who the drawn character is. The team with the most points wins. Caution: Not suitable for children under 36 months. Small parts.
