### Product Description

A COBI building block model on a scale of 1:35, manufactured under licence from the famous Italian car brand Maserati. This is an ideal product for both children and adult car fans. Thanks to specially designed building blocks that faithfully reflect the shapes of the bodywork and durable, colourful prints, the vehicles created by COBI look like small works of art. The clamp building block model is perfect for displaying in an adult car fan's collection. Thanks to its solid construction and movable wheels with special rubber tyres, it is also perfect as a toy. The model is covered with high-quality prints that will not wear off even with intensive use. Maserati GranCabrio is a modified version of the GranTurismo that combines its best features with open-air driving! At the heart of this ultra-modern car is a 3-litre V6 Nettuno twin-turbo petrol engine with an output of 490 hp. The model is designed for "dynamic, elegant people who are always on the move and want to enjoy the pleasures of life." ". The car accelerates to 100 km/h in 3.9 seconds and reaches a top speed of 301 km/h.
