Product Description

An old classicThe Mercedes-Benz 300 SEL 6.3 AMG with starting number 11 took part in the touring car races of the 1970 "Prize of the Nations" in the over three-litre class. It finished third in the race with Daimler-Benz test driver Jörg Leininger, topped only by two Camaros.Chic design for the homeOn the racetrack, the Mercedes-Benz 300 SEL 6.3 AMG "Prize of Nations 1970, No.11" shows everyone what a good racing car has to offer. On the digital Carrera racetrack, the stylish car impresses with its high speeds and realistic design. The Mercedes-Benz 300 SEL is built to the perfect 1:32 scale and features fully functional front, rear and brake lights. It can also be individually coded and digitally controlled, making it completely customisable to personal driving skills.
