Product Description

Chaos on the gaming table again? To remedy the situation, we have put together an affordable package consisting of 4 Feldherr Hero Dashboards for "Descent: Legends of Darkness". The player boards made of robust plastic support you and your battle companions in character management and ensure an even better gaming experience. As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.

Details- The plastic player boards simplify character management and provide a better overview on the game table- You have full control and decide how to equip the dashboard- Whether item, equipment or skill cards, condition or exhaustion markers, the dashboards offer enough space for your game material- 1 compartment is used to store the various markers, 7 slots for placing the markers and 5 slots for playing cards. At the head end, you can place your character cards on- The slots for the playing cards are angled so that they can be tilted for a better overview. Depending on the type of playing card, the cards can be placed horizontally or vertically- Exhaustion markers can be placed directly in front of the skill cards to "pay" for their use- The cards and markers have a firm hold, do not slip and the gaming table remains tidy during play- Of course, the cards also fit into the slots with protective sleeves- "Ready to Use" - no assembly required Technical details- thermoplastic- no assembly required - ready to play- 3D printed in Germany Technical data- Length: 17 cm- Width: 18 cm- Height: 4 cm Contents- 4 pieces
