### Product Description

The classic BMW M1 in the Zo!Auto livery with starting number 72 put the pedal to the metal at the 24-hour race in France's legendary Mecca for endurance racing. The drivers of Team BMW Zo!Auto in the 1981 season were Pierre-François Rousselot, François Sérvanin and Laurent Ferrier. The BMW M1 Procar "BMW Zo!Auto, No.72" 24h, 1981 impresses with its timeless 1980s design and striking and colourful paintwork. The Carrera DIGITAL 132 BMW M1 Procar "BMW Zo!Auto, No.72" 24h, 1981 slot car brings the best times of endurance motorsport back to your home racetrack. With the striking shape of the famous racing car, every race is also a little journey through time. The vehicle adds a refreshing splash of colour with its striking paintwork. The slot car also impresses with its front, rear and brake lights. Thanks to the original licence from BMW, the vehicle looks just like its big role model in the iconic rainbow look. The slot car can be individually coded, has digital controls and guarantees many hours of driving fun.
