Product Description

It is considered the most expensive and best in its class: the Ferrari 488 GT3. With 550 hp under the bonnet and a 3.9-litre V8 biturbo engine, it gives its opponents a run for their money. The red super sports car with the number 488 takes to the starting line for the Italian racing team AF Corse. Of course, the Italian superstar cannot be missing from its own racing team. The red speedster is a real eye-catcher on the racetrack and makes a big impression on the competition. Equipped with the original Ferrari licence, the 1:43 scale slot car looks just like its big role model. Can you tame your opponent and claim victory on your Carrera GO!!! or GO!!! Plus track?
