

Item no.: 374252

DG11 - Lily's Porch

from **32,67 EUR**

Item no.: 374252
shipping weight: 0.80 kg
Manufacturer: Rolife

Product Description

Robotime-Rolife DG11 "Lily's Porch" is a shot of a beautiful scene of a porch with a cat and flowers. It's like a little garden where you seem to hear birds singing. A cosy chair with a landing light makes it the best place to read or take a nap.
