Product Description

Interference-free 2.4 GHz radio connection for unrestricted driving fun! If you are looking for another controller for your RC vehicle, you will find it here in our spare parts shop. With its 2.4 GHz radio technology, the D/P Controller Medium ensures that up to 16 vehicles can be controlled at the same time without interfering with each other in the radio channel. The digital proportional technology is responsible for even more action and fun. This allows the controller to steer your RC vehicle in every conceivable direction. Up, down, right, left and even diagonally is possible. The D/P Controller Medium is compatible with the following RC cars, among others: Ford F-150 Raptor (370142027), Red Hunter 2 (370142028), Inferno Orange 2 (370142029), Speed Phantom 2 (370162095), Red Bull NX1 (370162088). So if you need a replacement controller or your old one no longer works properly, this model is the right spare part for you. - Replacement controller with 2.4 GHz digital proportional radio technology- For Ford F-150 Raptor (370 142027), Red Hunter 2 (370142028), Inferno Orange 2 (370142029), Speed Phantom 2 (370162095), Red Bull NX1 (370162088)- Package contents: 1 piece
