Product Description

The Corvette C7 is the seventh edition of the famous American super sports car. The Corvette C7 is a unique car that impresses with high speeds both on the racetrack and at home. Team Callaway competes with the Corvette C7.R with the number 77 in the ADAC GT Masters series, where it won the drivers' championship as well as the overall standings. Also a winner on the racetrack at home. In 1:43 scale, you can also have fun laps with the Corvette C7.R on your Carrera GO!!! car racing track. Drift round the bends and overtake your opponents on the straights. Thanks to the Chevrolet licence, the racing car looks just like the original.
