Product Description

Experience concentrated racing power with the Carrera GO!!! Challenge "Formula Qualifying" set, in which seven-time world champion Lewis Hamilton takes to the starting line in his Mercedes-AMG F1 W13 E Performance "Hamilton, No.44". The world of formula racing comes to life on the 6 metre long track, while loops, challenging banked turns, action-packed fly-overs and fast straights put your driving skills to the test. Unrivalled fun with Challenge Mode. Carrera Challenge - Formula Qualifying not only brings breathtaking racing action to the game, but also the exciting Challenge Mode. A timer of 30, 45 or 60 seconds is started, within which you have to complete as many laps as possible on the Carrera Qualifying track. The lap counter records your performance. Whether you're testing your skills alone or taking it in turns to compete against friends, this set promises thrilling racing fun and conveys the incomparable feeling of ultimate high speed! Immerse yourself in the world of formula racing, experience unrivalled fun and enjoy the authentic Carrera Mercedes Formula 1 action.
